INTERSTATE COMMERCE COMMISSION

AGREEMENT AND ASSIGNMENT

Dated as of May 15, 1973

between

GENERAL ELECTRIC COMPANY

and

WELLS FARGO BANK, N.A.

as Agent

AGREEMENT AND ASSIGNMENT dated as of May 15, 1973, between the corporation first named following the testimonium below (hereinafter called the Builder), and WELLS FARGO BANK, N.A., with offices at 475 Sansome Street, San Francisco, California 94120, acting as Agent under a Finance Agreement dated as of May 15, 1973 (hereinafter called the Finance Agreement), said Agent, so acting, being hereinafter called the Assignee.

WHEREAS the Builder, HAROLD K. CRISWELL, CLAUDE S. BRAVMANN and WELDON J. SMITH, as Trustees (hereinafter called the Vendee), under a Trust Agreement dated as of May 15, 1973, with Gould Leasing, Inc., and MISSOURI PACIFIC RAILROAD COMPANY (hereinafter called the Guarantor) have entered into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Conditional Sale Agreement), covering the construction, sale and delivery, on the conditions therein set forth, by the Builder and the purchase by the Vendee of the railroad equipment described in Annex B to the Conditional Sale Agreement (said equipment being hereinafter called the Equipment);

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (hereinafter called this Assignment) WITNESSETH: That, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to the Builder, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

SECTION 1. *Incorporation of Model Provisions.* Whenever this Assignment incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Assignment Provisions for Lease Transactions" annexed to the Conditional Sale Agreement as Part III of Annex C thereto (hereinafter called the Model Assignment Provisions), such provision of the Model Assignment Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full herein.

SECTION 2. The Builder hereby assigns, transfers, and sets over unto the Assignee, its successors and assigns:

- (a) All the right, security title and interest of the Builder in and to each unit of the Equipment;
- (b) All the right, title and interest of the Builder in and to the Conditional Sale Agreement (except the right to construct and deliver

the Equipment and the right to receive the payments specified in the third paragraph of Article 3 thereof, in the first paragraph and in subparagraph (a) of the third paragraph of Article 4 thereof, in the last paragraph of Article 15 thereof and reimbursement for taxes paid or incurred by the Builder), and except as aforesaid in and to any and all amounts which may be or become due or owing to the Builder under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Vendee or the Guarantor under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) Except as limited by subparagraph (b) of this paragraph, all the Builder's rights, titles, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse hereunder, however, against the Builder for or on account of the failure of the Vendee or the Guarantor to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; *provided, however*, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Builder to deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Article 14 of the Conditional Sale Agreement or relieve the Vendee or the Guarantor from their respective obligations to the Builder contained in Articles 2, 3, 4, 6, 8 and 14 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Agreement, or any subsequent assignment pursuant to the provisions of Article 15 of the Conditional Sale Agreement, all obligations of the Builder to the Vendee with respect to the Equipment shall be and remain enforceable by the Vendee, its successors and assigns, against and only against the Builder. In furtherance of the foregoing assignment and transfer, the Builder hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Builder, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Vendee and the Guarantor with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 3. Section 3 of the Model Assignment Provisions is herein incorporated as Section 3 hereof.

SECTION 4. Section 4 of the Model Assignment Provisions is herein incorporated as Section 4 hereof.

SECTION 5. The Builder will cause to be plainly, distinctly, permanently and conspicuously marked on each side of each unit of the Equipment, at the time of delivery thereof to the Vendee, in letters not less than one inch in height, the following legend:

"WELLS FARGO BANK, N.A., AGENT, SECURITY OWNER".

SECTION 6. Section 6 of the Model Assignment Provisions is herein incorporated as Section 6 hereof, except that "(i)" contained in subparagraph (g) of the first paragraph thereof shall be deleted. In giving the opinion specified in subparagraph (e) of the first paragraph thereof, Messrs. Cravath, Swaine & Moore may rely as to authorization, execution and delivery by the Vendee of the documents executed by the Vendee and all matters of California law on the opinion of counsel for the Vendee, and there shall be added at the end of the second sentence of the penultimate paragraph thereof the following words "or if a petition shall have been filed by or against the Guarantor for reorganization under Section 77 of the Bankruptcy Act."

SECTION 7. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Vendee or the Guarantor thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 15 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 8. Section 8 of the Model Assignment Provisions is herein incorporated as Section 8 hereof.

SECTION 9. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of California; *provided, however,* that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act; such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several

jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited, or in which any unit of the Equipment shall be located, and any rights arising out of the marking on the units of the Equipment.

SECTION 10. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Assignment is dated as of May 15, 1973, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officials, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

CONDITIONAL SALE AGREEMENT

Dated as of October 15, 1973

between

ACF INDUSTRIES, INCORPORATED

and

**FIRST SECURITY BANK OF UTAH, N.A.,
as Owner-Trustee**

7

CONDITIONAL SALE AGREEMENT dated as of October 15, 1973, between the corporation named in Item 1 of Annex A hereto (hereinafter called the Vendor or Builder as more particularly set forth in Article 25 hereof), and FIRST SECURITY BANK OF UTAH, N.A., a national banking association, as owner-trustee under a Trust Agreement No. 1 dated as of October 15, 1973, with a certain equity investor (said owner-trustee hereinafter called the Vendee).

WHEREAS, the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS, the Vendee is executing a Lease of Railroad Equipment No. 1 dated as of the date hereof to Grand Trunk Western Railroad Company (hereinafter called the Lessee), in substantially the form annexed hereto as Annex D (hereinafter called the Lease);

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. *Incorporation of Model Provisions.* Whenever this Agreement incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Conditional Sale Provisions for Non-Guaranteed Lease Transactions" annexed to this Agreement as Annex C hereto (hereinafter called the Model CSA Provisions), such provision of the Model CSA Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Agreement.

ARTICLE 2. *Construction and Sale.* Article 2 of the Model CSA Provisions is hereby amended by deleting the words "Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment" and by inserting in lieu thereof the following: "requirements and standards for new equipment of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment". Article 2 of the Model CSA Provisions, as so amended, is herein incorporated as Article 2 hereof.

ARTICLE 3. *Inspection and Delivery.* The first paragraph of Article 3 of the Model CSA provisions is amended by adding the following *proviso* at the end thereof; *provided, however*, that the Builder shall have no obligation to deliver any unit of the Equipment hereunder at any time after any event of default (as described in Article 16 hereof), or event which with the lapse of time and/or demand could constitute such an event of default, shall have occurred and be continuing. The third paragraph of said Article 3 is amended by replacing the first sentence thereof with the following:

“Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered and accepted on or prior to December 31, 1973 and settled for prior to May 15, 1974, pursuant to Article 4 hereof shall be excluded herefrom.”

Article 3 of the Model CSA Provisions, as so amended, is herein incorporated as Article 3 hereof.

ARTICLE 4. *Purchase Price and Payment.* The base price per unit of the Equipment is set forth in Annex B hereto. Such base price is subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Lessee. The term “Purchase Price” as used herein shall mean the base price as so increased or decreased. If on any Closing Date (as hereinafter defined in this Article 4) the aggregate Purchase Price for which settlement has theretofore been and is then being made under this Agreement, would, but for the provisions of this sentence, exceed \$1,785,000 (or such higher amount as the Vendee may at its option agree to), the Builder (and any assignee of the Builder) will, upon request of the Vendee, enter into an agreement excluding from this Agreement such unit or units of Equipment specified by the Vendee, as will, after giving effect to such exclusion reduce such aggregate Purchase Price to not more than \$1,785,000 (or such higher amount as aforesaid).

The Equipment shall be settled for in not more than the number of groups of units of the Equipment set forth in Item 5 of Annex A hereto delivered to and accepted by the Vendee on or before December 31, 1973 (each such group being hereinafter called the Group). The term “Closing Date” with respect to the Group shall mean such date (prior to May 15, 1974) occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice and Certificate or Certificates of Acceptance for the Equipment, as shall be fixed by the Builder by written

notice delivered to the Vendee at least five business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York or Miami, Florida are authorized or obligated to be closed.

Upon delivery and acceptance of the Equipment, the Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) On the Closing Date with respect to a Group an amount equal to 45% of the aggregate Purchase Price of the Group plus the amount, if any, by which 55% of the Purchase Price of the Group exceeds \$981,750, and

(b) In consecutive semiannual instalments, as hereinafter provided, an amount (hereinafter called the Conditional Sale Indebtedness) equal to the aggregate Purchase Price of the units of Equipment less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The instalments of the Conditional Sale Indebtedness shall be payable on each May 15 and November 15 commencing November 15, 1974, to and including May 15, 1988 (or if any such date is not a business day on the next preceding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 8 $\frac{1}{4}$ % per annum and such interest shall be payable to the extent accrued, on May 15, 1974, and on each May 15 and November 15 thereafter. The principal amount of Conditional Sale Indebtedness payable on each of the Payment Dates shall be calculated on such basis that the aggregate of the principal and interest payable on each of such Payment Dates shall be substantially equal and such instalments of principal will completely amortize the Conditional Sale Indebtedness.

The Vendee will furnish to the Vendor promptly after the Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months.

The Vendee will pay interest, to the extent legally enforceable, at the rate of 9 $\frac{3}{4}$ % per annum upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof or such lesser amount as shall be legally enforceable, anything herein to the contrary notwithstanding.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The parties hereto contemplate (subject to the limitations set forth in the first paragraph of this Article 4) that the Vendee will furnish that portion of the Purchase Price for the Equipment as is required under subparagraph (a) of the third paragraph of this Article 4 and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by an assignee of the Builder's right, title and interest under this Agreement pursuant to an Agreement and Assignment between the Builder and the Assignee (as hereinafter defined) (such Agreement and Assignment being hereinafter called the Assignment and such assignee being herein called the Assignee or the Vendor as indicated in Article 25 hereof).

It is agreed that the obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the third paragraph of this Article 4 with respect to the Equipment is specifically subject to the fulfillment, on or before the Closing Date, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified in subparagraph (a) of the third paragraph of this Article 4 with respect to the Group shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) the Assignee shall have paid or caused to have been paid to the Builder the amounts contemplated to be paid by it as provided in the preceding paragraph of this Article 4 and in Section 6 of the Assignment and the documents required by Section 6 of the Assignment shall have been delivered;

(b) no Event of Default of the Lessee under the Lease, nor any event which with lapse of time and/or demand provided for in the Lease would constitute such an Event of Default, shall have occurred and be continuing; and

(c) the Vendee shall have received (i) the opinions of counsel required by Section 14 of the Lease and (ii) such other documents as the Vendee may reasonably request.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 16 and 17 hereof), it is understood and agreed by the Vendor that the liability of the Vendee for all payments to be made by it under and pursuant to this Agreement, with the exception only of the payments to be made pursuant to subparagraph (a) of the third paragraph of Article 4 hereof and Article 20 hereof, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee (which term includes the Vendor or any other assignee of the Vendee) shall have actually received sufficient "income or proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that the Vendee shall have no personal liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received by the Vendee as above provided. In addition, the Vendor agrees and understands that the Vendee (i) makes no representation, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease in so far as it relates to the Lessee (or any document relative thereto) or of any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee at any time after any such event and

during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Vendee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof and after deducting all costs and expenses of such sale, lease or other disposition and any and all other payments received by the Vendee or any assignee of the Vendee under Section 9 of the Lease, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on, or within three business days after, the date such amounts received by the Vendee were required to be paid to it pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on, or within three business days after, the date on which amounts with respect thereto received by the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease. It is further specifically understood and agreed that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment as provided for herein for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments or obligations hereunder or to proceed against the Lessee under the Lease. Notwithstanding anything to the contrary contained in Article 16 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph and that no judgment obtained against the Vendee shall be filed in any office

where the effect of such filing shall constitute a lien on any property of the Vendee other than the Equipment, the Lease and the proceeds thereof.

ARTICLE 5. *Title to the Equipment.* Article 5 of the Model CSA Provisions is hereby amended by deleting all of the words contained in the parentheses in the second sentence of the first paragraph thereof and by inserting the following in lieu thereof: "except Temporary Alterations [as defined in § 8 of the Lease]". Article 5 of the Model CSA Provisions, as so amended, is herein incorporated as Article 5 hereof.

ARTICLE 6. *Taxes.* Article 6 of the Model CSA Provisions is hereby incorporated as Article 6 hereof.

ARTICLE 7. *Maintenance and Repair: Casualty Occurrences.* The Vendee agrees that, at its own cost and expense, it will maintain and keep each unit of the Equipment in good order and repair, reasonable wear and tear excepted.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Vendee or the Lessee, irreparably damaged or damaged beyond economic repair, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being herein called Casualty Occurrences), the Vendee shall promptly after it shall have determined that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the next succeeding Payment Date the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article 7) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied to prepay the Conditional Sale Indebtedness and the Vendee will promptly furnish the Vendor a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Vendor may request, calculated as provided in the fourth paragraph of Article 4 hereof, so that the remaining payments shall be substantially equal.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the

Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee (or any party designated by the Vendee) of all the Vendor's right, title and interest in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee (or such party) to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article 7), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

ARTICLE 8. *Assignment of Lease.* The Vendee, concurrently with the execution and delivery of this Agreement, is assigning to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title and interest of the Vendee in and to the Lease. The Vendee agrees that the "income and proceeds from the Equipment" (as defined in Article 4 hereof) received by the Vendor may be applied by the Vendor to discharge the obligations of the Vendee hereunder and the Vendor agrees to pay to the Vendee any moneys paid to the Vendor under the Lease not constituting "income and proceeds from the Equipment".

ARTICLE 9. *Reports and Inspections.* Article 9 of the Model CSA Provisions is herein incorporated as Article 9 hereof.

ARTICLE 10. *Marking of Equipment.* Article 10 of the Model CSA Provisions is herein incorporated as Article 10 hereof.

ARTICLE 11. *Compliance with Laws and Rules.* Article 11 of the Model CSA Provisions is herein incorporated as Article 11 hereof.

ARTICLE 12. *Possession and Use.* Article 12 of the Model CSA Provisions is herein incorporated as Article 12 hereof.

ARTICLE 13. *Prohibition Against Liens.* Article 13 of the Model CSA Provisions is herein incorporated as Article 13 hereof.

ARTICLE 14. *Indemnities and Warranties.* Article 14 of the Model CSA Provisions is herein incorporated as part of Article 14 hereof. The agreements of the parties relating to the Builder's warranty of material and workmanship and the Builder's patent indemnification contained in Items 2 and 3 of Annex A hereto are herein incorporated as part of Article 14 hereof.

ARTICLE 15. *Assignments.* Article 15 of the Model CSA Provisions is hereby amended by inserting after the last word in the first sentence of the second paragraph thereof the following: "*provided, however,* that any such assignment or reassignment for such right to receive payments shall include the right to receive payment of not less than all of the Conditional Sale Indebtedness". Article 15 of the Model CSA Provisions, as so amended, is herein incorporated as Article 15 hereof.

ARTICLE 16. *Defaults.* Article 16 of the Model CSA Provisions is hereby amended by inserting after the word "Default" in the penultimate sentence of the first paragraph thereof the words: ", subject to the provisions of the last paragraph of Article 4 hereof". Article 16 is further amended by adding a subclause (f) in the first paragraph thereof to read as follows:

"(f) an event of default as defined in the Conditional Sale Agreements referred to in Item 4 of Annex A hereto shall occur;" Article 16 of the Model CSA Provisions, as so amended, is herein incorporated as Article 16 hereof.

ARTICLE 17. *Remedies.* Article 17 of the Model CSA Provisions is hereby amended by deleting the second sentence and the last sentence of the second paragraph thereof and by inserting the following in lieu of said second sentence: "At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Lessee until the earlier of (x) the date the Vendor shall have leased, sold or otherwise disposed of the same or (y) the 270th day from the date the Equipment shall have been placed for storage on such lines or premises. For such purpose the Vendee agrees to cause to be furnished, without charge for rent or storage, the necessary facilities at any reasonably convenient point or points selected by the Vendor." Article 17 of the Model CSA Provisions, as so amended, is herein incorporated as Article 17 hereof.

ARTICLE 18. *Applicable State Laws.* Article 18 of the Model CSA Provisions is herein incorporated as Article 18 hereof.

ARTICLE 19. *Recording.* Prior to the delivery and acceptance of any unit of the Equipment, the Vendee will cause this Agreement, any assignments hereof by the Vendee and any supplements hereto and thereto, and prior to the settlement for such unit, the Vendee will cause any assignment hereof by the Builder and any supplement thereto, in each case (i) to be filed, registered, recorded or deposited and refiled, re-registered, rerecorded or redeposited, with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act, (ii) to be deposited in the office of the Registrar General of Canada (and will cause the required notice of such deposit forthwith thereafter to be published in *The Canada Gazette*) in accordance with Section 86 of the Railway Act of Canada (1970-RSC) and (iii) to be filed in the office of the Minister of Financial and Commercial Affairs of the Province of Ontario, Canada, in accordance with Section 3(1) of the Conditional Sales Act of Ontario. The Vendee will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection in the United States of America and the Province of Ontario, Canada, to the satisfaction of the Vendor and its counsel, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement and any assignment hereof. The Vendee will promptly furnish to the Vendor evidences of such filing, registering, depositing or recording and of such publication of notice of such deposit and an opinion or opinions of counsel with respect thereto, each satisfactory to the Vendor and its counsel.

ARTICLE 20. *Payment of Expenses.* Article 20 of the Model CSA Provisions is herein incorporated as Article 20 hereof.

ARTICLE 21. *Article Headings: Effect and Modification of Agreement.* Article 21 of the Model CSA Provisions is herein incorporated as Article 21 hereof.

ARTICLE 22. *Notice.* Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it at its chief place of business at the following specified addresses:

(a) to the Vendee, at 79 South Main Street, Salt Lake City, Utah, attention of Trust Department (with a copy to Itel Leasing Corporation,

One Embarcadero Center, San Francisco, California 94111; Attention: Contracts Administration Department),

(b) to the Builder, at the address set forth in Item 1 to Annex A hereto,

(c) to any assignee of the Vendor or of the Vendee at such address as may have been furnished in writing to the Vendee or the Vendor, as the case may be, by such assignee,

or at such other address as may have been furnished in writing by such person to such other persons.

ARTICLE 23. *Immunities: Satisfaction of Undertakings.* No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Vendee or the Builder or the Vendor, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the first paragraph of Article 7, the last paragraph of Article 15 and the second paragraph of Article 17 and under Articles 6, 9, 10, 11, 13, 14 and 19 hereof are deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 16 hereof. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

ARTICLE 24. *Law Governing.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Utah; *provided, however,* that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act, the applicable recording laws of Canada and of the Provinces and Territories thereof and such additional rights arising out of the filing, recording, registering or depositing hereof and of any assignment hereof and out of the marking on the Equipment as shall be conferred by the laws of the several jurisdictions

in which the Equipment may be located and in which this Agreement or any assignment hereof shall be filed, recorded, registered or deposited. The Vendee warrants that its chief place of business is in the State of Utah.

ARTICLE 25. Definitions. Article 25 of the Model CSA Provisions is herein incorporated as Article 25 hereof.

ARTICLE 26. Execution. This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of the date set forth on the cover hereof for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

ANNEX A TO CONDITIONAL SALE AGREEMENT—ACF

ITEM 1: ACF Industries, Incorporated, a New Jersey Corporation, 750 Third Avenue, New York, N. Y. 10017.

ITEM 2: The Builder warrants that the Equipment will be built in accordance with the requirements, specifications and standards set forth in Article 2 of the Conditional Sale Agreement to which this Schedule A is attached (hereinafter called the Agreement) and warrants the Equipment will be free from defects in material (except as to specialties incorporated therein which were specified or supplied by the Lessee and not manufactured by the Builder) and workmanship under normal use and service, the Builder's obligation under this Item 2 being limited to making good at its factory any part or parts of any unit of the Equipment which shall be returned to the Builder with transportation charges prepaid, within one year after the delivery of such unit to the Lessee, and which the Builder's examination shall disclose to its satisfaction to have been thus defective. The foregoing warranty of the Builder is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, except for its obligations or liabilities under Articles 2, 3, 4 and 14 of the Agreement, and the Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid. In no event shall the Builder be liable for special or consequential damages.

The Builder further agrees with the Vendee and the Lessee that neither the inspection as provided in Article 3 of the Agreement nor any examination nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee and the Lessee of any of their rights under this Item 2.

ITEM 3: The Builder agrees to indemnify, protect and hold harmless the Vendee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee, its assigns or the Lessee because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other

right, except any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee, its assigns, or the Lessee because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination specified by the Lessee and not developed or purported to be developed by the Builder or any article or material specified by the Lessee and not manufactured by the Builder. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Lessee every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Lessee and purchased or otherwise acquired by the Builder for use in or about the construction or operation of any of the Equipment, on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.

ITEM 4: Two Conditional Sale Agreements dated as of October 15, 1973, between the Company and Whitehead & Kales Company and Greenville Steel Car Company, respectively.

MODEL CONDITIONAL SALE PROVISIONS FOR
NON-GUARANTEED LEASE TRANSACTIONS

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such units of the Equipment, and each unit of the Equipment (except to the extent, if any, referred to in Annex A hereto and/or Article 7 hereof) will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of the Equipment to the Vendee at the place or places within the United States of America specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places within the United States of America designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of governments such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for pursuant to Article 4 hereof on or before the Cut-Off

Date shall be excluded herefrom. If any Equipment shall be excluded from this Agreement pursuant to the immediately preceding sentence, the parties to this Agreement shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee on the date of such Certificate of Acceptance and are marked in accordance with Article 10 hereof; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

ARTICLE 5. Title to the Equipment. The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having

a similar use which have been added to such unit by the Lessee, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid, the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22 hereof and (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in

lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor, solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 9. Reports and Inspections. On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Agreement, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the

period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced.

ARTICLE 10. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's title to and property in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such name and words which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Vendee may allow the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of the rights of the Lessee or its affiliates to use the Equipment as permitted under the Lease.

ARTICLE 11. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the

jurisdictions in which its or such lessees' operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of any unit of the Equipment, or in the event that any equipment or appliance on any such unit shall be required to be changed or replaced, or in the event that any additional or other equipment or appliance is required to be installed on any such unit in order to comply with such laws or rules, the Vendee will make such alterations, changes, replacements and additions at its own expense; provided, however, that the Vendee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. Possession and Use. The Vendee, so long as it shall not be in default under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns (the Lessee hereby so acknowledging) under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; provided, however, that so long as the Lessee shall not be in default under the Lease, the Lessee shall be entitled to the possession and use of the Equipment.

So long as an event of default specified in Article 16 hereof shall not have occurred and be continuing, the Vendee shall be entitled to the possession and use of the Equipment, and the Equipment may be used upon the lines of railroad owned or operated by the Lessee or any affiliate of the Lessee (or any other railroad company approved by the Vendor), or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights, or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and the Equipment may be used upon connecting and other carriers in the usual interchange

of traffic, but only upon and subject to all the terms and conditions of this Agreement; provided, however, that the Vendee shall not assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance thereof outside the United States of America. The Vendee may also lease the Equipment to any other company with the prior written consent of the Vendor; provided, however, that (i) such lease shall provide that the rights of such lessee are made expressly subordinate to the rights and remedies of the Vendor under this Agreement, (ii) such lessee shall expressly agree not to assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance thereof outside the United States of America and (iii) a copy of such lease shall be furnished to the Vendor.

ARTICLE 13. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge, security interest or other encumbrance upon or with respect to the Equipment, or any part thereof, or the interest of the Vendor therein, equal or superior to the Vendor's title thereto or property therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 14. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and

interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of title to the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident, in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the conveyance of security title to, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

ARTICLE 15. Assignments. The Vendee will not (a) except as provided in Article 12 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition (i) is made expressly subject in all respects to the rights and remedies of the Vendor hereunder and (ii) provides that the Vendee shall remain liable for all the obligations of the Vendee under this Agreement.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 14 hereof, or relieve the Vendee of its obligations to the Builder contained or referred to in Articles 2, 3, 4, 6, 8 and 14 hereof and this Article 15, or any other obligation which, according to its terms and context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that it is the custom of railroad equipment manufacturers or sellers to assign agreements of this character and understands that the assignment of this Agreement, or of some of or all the rights of the Vendor hereunder, is contemplated. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that in the event of such assignment by the Vendor as hereinbefore provided, the rights of such assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned, together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee against and only against the Builder.

In the event of any such assignment or successive assignments by the Vendor of title to the Equipment and of the Vendor's rights hereunder with respect thereto, the Vendee will, whenever requested by the assignee, change the markings on each side of each unit of the Equipment so as to indicate the title of such assignee to the Equipment, such markings to be specified by such assignee, subject to any requirements of the laws of the jurisdictions in which the equipment shall be

operated. The cost of such markings in the event of an assignment of not less than all the Equipment at the time covered by this Agreement shall be borne by the Vendee and, in the event of an assignment of less than all such Equipment, such cost shall be borne by such assignee.

ARTICLE 16. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) The Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of any provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 15 days; or

(b) The Vendee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Any proceeding shall be commenced by or against the Vendee for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions, and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee under this Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Vendee or for its property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(d) The Vendee shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(e) An Event of Default as defined in the Lease shall occur;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee set forth in Article 12 hereof, cause the Lease immediately upon such notice to terminate and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid indebtedness in respect of the Purchase Price of the Equipment, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee wherever situated. The Vendee shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time would constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 17. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, subject to the rights of the Lessee set forth in Article 12 hereof, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Lessee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Lessee, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Lessee for the delivery of the Equipment to the Vendor, the Vendee will (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Lessee until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Vendee agrees to cause to be furnished, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth,

retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, that if the Vendee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee or any other party claiming from, through or under the Vendee at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of

the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine. The Vendee shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 22 hereof. If such sale shall be a private sale, it shall be subject to the rights of the Vendee to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Vendor may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall

be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 18. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted

by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. Payment of Expenses. The Vendee will pay all reasonable costs and expenses (other than the fees and expenses of counsel for the Builder) incident to this Agreement and the first assignment of this Agreement (including the fees and expenses of an agent, if the first assignee is an agent), and any instrument supplemental or related hereto or thereto, including all fees and expenses of counsel for the first assignee of the Agreement and for any party acquiring interests in such first assignment, and all reasonable costs and expenses in connection with the transfer by any party of interests acquired in such first assignment.

ARTICLE 21. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the annexes and schedules hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 24. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Selected Jurisdiction; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 25. Definitions. The term "Vendor", whenever used in this Agreement, means, before any assignment of any of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

LEASE OF RAILROAD EQUIPMENT No. 1

between

**FIRST SECURITY BANK OF UTAH, N.A.,
As Owner Trustee**

and

GRAND TRUNK WESTERN RAILROAD COMPANY

Dated as of October 15, 1973

LEASE OF RAILROAD EQUIPMENT NO. 1 dated as of October 15, 1973, between **FIRST SECURITY BANK OF UTAH, N.A.**, as Owner-Trustee under a Trust Agreement No. 1 dated as of October 15, 1973 with a certain equity investor (said Trust Agreement being hereinafter called the Trust Agreement; said Owner-Trustee hereinafter called the Lessor and said investor being hereinafter called the Beneficiary) and **GRAND TRUNK WESTERN RAILROAD COMPANY**, a Michigan corporation (hereinafter called the Lessee).

WHEREAS, the Lessor has entered into a Conditional Sale Agreement dated as of October 15, 1973 (hereinafter called the Conditional Sale Agreement) with **ACF INDUSTRIES, INCORPORATED** (hereinafter called the Builder), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto; and

WHEREAS, the Builder proposes to assign its interest in the Conditional Sale Agreement to **Inter National Bank of Miami**, as Agent (hereinafter referred to as the Vendor); and

WHEREAS, the Lessee desires to lease all the units of said railroad equipment, or such lesser number as are delivered and accepted on or prior to December 31, 1973 and settled for under the Conditional Sale Agreement prior to May 15, 1974, up to an aggregate amount of \$1,785,000 (hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS, **Canadian National Railway Company**, a corporation duly incorporated under the laws of Canada (hereinafter called the Guarantor), of which the Lessee is a wholly-owned subsidiary, has agreed, subject to receipt of the approval of the Governor in Council, to guarantee to the Lessor and the Vendor, as provided in a Guaranty Agreement dated as of October 15, 1973 (hereinafter called the Guaranty Agreement), with the Lessor and the Vendor, the due and punctual payment of the sums payable by, and the due and punctual performance of all other obligations of, the Lessee under this Lease;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the

following terms and conditions, but, upon default of the Lessee hereunder, subject to all the rights and remedies of the Vendor under the Conditional Sale Agreement.

§ 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America or Canada at which, and on the date or dates on which, such Unit is delivered to the Lessor under the Conditional Sale Agreement. Upon such tender, the Lessee will cause an authorized inspector of the Lessee to inspect the same, and if such Unit is found to be in good order and in accordance with the specifications set forth in such Conditional Sale Agreement (and modifications, if any, previously approved by the Lessee), to accept delivery of such Unit and will cause such inspector or an authorized representative of the Lessee to execute and deliver to the Lessor and to the Builder a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. In no event shall the Lessee place any Unit in service or otherwise use any Unit prior to the Lessee's acceptance of delivery of such Unit hereunder.

The Lessee represents and warrants that, at the time of delivery of each Unit to the Lessee, such Unit will not have been used by the Lessee and no amortization, depreciation or investment credit will have been claimed by the Lessee with respect thereto.

§ 2. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease one interim and 30 consecutive semiannual payments. The interim payment is payable on the business day next preceding May 15, 1974. The 30 semiannual payments are payable on the business day next preceding May 15 and November 15 of each year commencing November 15, 1974. The interim payment shall be in an amount equal to the percentage set forth in Schedule B hereto of the Purchase Price (as defined in the Conditional Sale Agreement) of each Unit subject to this Lease for each day elapsed from and including the date such Unit is settled for under the Conditional Sale Agreement to May 15, 1974. The 30 semiannual payments shall be in an amount equal to the percentage set forth in Schedule B hereto of the Purchase Price of each Unit at the time subject to this Lease.

The Lessor irrevocably instructs the Lessee (and the Lessee hereby agrees) to make all payments provided for in this Lease to be made to the Lessor shall be paid to the account of the Lessor, care of the Vendor, 627 Southwest 27th Avenue, Miami, Florida 33135, attention of Donald D. Ross, Executive Vice President, and such payments shall be applied by the Vendor to satisfy the obligations of the Lessor under the Conditional Sale Agreement accrued at the time such payments are due hereunder, with any balance being paid to the Lessor or to the order of the Lessor at such address as the Lessor shall furnish to the Vendor in writing.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatement, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use of or destruction of all or any of the Units from whatsoever cause, the prohibition of or other restriction against use of all or any of the Units by the Lessee or any other person, the interference with such use by any person, the invalidity or unenforceability or lack of due authorization of this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, are subordinate, junior in rank and subject to the rights of the Vendor under the Conditional Sale Agreement.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words:

“INTER NATIONAL BANK OF MIAMI,
AGENT—SECURITY OWNER”

or other appropriate words designated by the Lessor, with appropriate changes therein and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Conditional Sale Agreement. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such word or words shall have been so marked on both sides thereof and will replace promptly any such word or words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Lease will have been filed, recorded or deposited.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or Canadian (Dominion or Provincial) or Mexican taxes (other than any United States federal income tax and, to the extent that the Lessor receives credit for such taxes against its United States federal income tax liability, any Canadian [Dominion or Provincial] or Mexican income tax,

payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments, duties or license fees, and any charges, fines or penalties in connection therewith (all such expenses, taxes, assessments, duties, license fees, charges, fines and penalties being hereinafter called impositions), now or hereafter levied or imposed upon or in connection with or measured by, this Lease or any sale, rental, use, payment, shipment, import, export, delivery or transfer of title under the terms hereof or of the Conditional Sale Agreement, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. At the option of the Lessor, such payment of impositions by the Lessee shall be made directly to the appropriate taxing authority. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon such Unit; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, materially adversely affect the Lessor. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor pursuant to Article 6 of the Conditional Sale Agreement not covered by the foregoing paragraph of this § 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations to the Builder and the Vendor pursuant to said Article 6.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor

and the Vendor of such requirement and will make such reports in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions pursuant to this § 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Lessor or Lessee, irreparably damaged or damaged beyond economic repair, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, the Lessee shall promptly after it shall have determined that such Unit has suffered a Casualty Occurrence, fully inform the Lessor and the Vendor in regard thereto. On the next succeeding semiannual rental payment date, or within 60 days if such Unit is being returned under § 13 hereof, the Lessee shall pay to the Lessor a sum equal to such accrued unpaid rental for such Unit to the date of such payment plus a sum equal to the Casualty Value, as hereinafter defined, of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, taking, requisition or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor shall, upon request of the Lessee, after payment by the Lessee of a sum equal to the Casualty Value of any Unit which shall have been lost, stolen, taken, requisitioned or completely destroyed, execute and deliver to or upon the order of the Lessee a bill of sale (without warranties) for such Unit or for any Unit abandoned pursuant to § 13 hereof.

The Casualty Value of each Unit as of any semiannual rental payment date shall be that percentage of the Purchase Price (as defined in the Conditional Sale Agreement) applicable to such Unit set forth in Schedule C opposite the number of the applicable rental payment date.

Casualty Value shall also include with respect to any Unit suffering a Casualty Occurrence on or before each of the rental payment dates set forth

in Schedule D hereto, an amount equal to the percentage of the Purchase Price of such Unit set forth opposite such rental payment date in Schedule D hereto if the period of time from the date of delivery of such Unit to the date of such Casualty Occurrence with respect to such Unit does not exceed the number of years indicated opposite such rental payment date under the heading "ITC Vesting Period" set forth in Schedule D hereto.

Except as hereinabove in this § 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

Although the Lessee shall not be required to maintain insurance on any Unit, the Lessee agrees that the benefits of any insurance maintained by it upon the Units will be made available to the Lessor and the Vendor, as their interests may appear, to the extent the Lessee is permitted to do so under such policies of insurance. Any net insurance proceeds as the result of insurance carried by the Lessee or proceeds of payments from any governmental agency as compensation for requisition by condemnation received by the Lessor in respect of a Unit suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this § 6. If the Lessor shall receive any such net insurance proceeds or any such condemnation payments after the Lessee shall have made payments pursuant to this § 6 without deduction for such net insurance proceeds or such condemnation payments, the Lessor shall pay such proceeds to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds shall remain the property of the Lessor.

§ 7. **Annual Reports.** On or before March 1 in each year commencing with the year 1974, the Lessee will cause to be furnished to the Lessor and the Vendor in such number of counterparts or copies as may reasonably be requested, an accurate statement, as of the preceding December 31, (a) showing the amount, description and numbers of the Units then leased hereunder, the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease, in the case of the first such statement); and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the

case of all Units repainted or repaired during the period covered by such statement, the markings required by § 4 hereof, and Article 10 of the Conditional Sale Agreement shall have been preserved or replaced. The Lessor shall have the right at its sole cost and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall be reasonably necessary to confirm to the Lessor the existence and proper maintenance thereof during the continuance of this Lease.

§ 8. Disclaimer of Warranties; Lessor's Representation and Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification. The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name and for the account of the Lessor and/or the Lessee, as their interests may appear, whatever claims and rights the Lessor may have, as vendee, under the provisions of Article 14 of the Conditional Sale Agreement and the Annex A thereto. Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessor represents and warrants as follows:

(i) At the time of delivery of each Unit under this Lease, the Lessor shall have such title to such Unit as is derived from the Builder, unimpaired by any act or omission of the Lessor which will in any manner prevent the performance of this Lease in accordance with its terms and, in addition, such Unit shall be free and clear of all claims, liens and encumbrances which may result from claims against the Lessor not arising out of the ownership thereof which will prevent the performance of this Lease in accordance with its terms; and

(ii) So long as the Lessee shall not be in default under this Lease, the Lessor shall not do (or suffer to be done by any person claiming

through or against the Lessor and not against the Lessee or any sublessee) any act which interferes with any and all rights of the Lessee to peaceably and quietly hold, possess and use the Units in accordance with the terms of this Lease.

The Lessor covenants that any sale, assignment, transfer, mortgage or other disposition which it may make of this Lease or of any Unit, whether prior or subsequent to delivery to the Lessee, shall be expressly subject to the terms and provisions of this Lease; *provided, however*, that this Lease shall be subordinated to the rights of the Vendor under the Conditional Sale Agreement but neither the Lessor nor the Vendor shall have the right to terminate or impair the Lessee's possession or use of the property subject to this Lease so long as the Lessee shall not be in default under this Lease; and, subject to the foregoing, covenants that the Lessor has not done and will not do (or suffer to be done by any person claiming through or against the Lessor) any act which interferes with or impairs (x) the Lessee's possession and use in accordance with the terms of this Lease of the Units or (y) the title to the Units which may be transferred or conveyed to the Lessee under the provisions of §§ 6. and 12 of this Lease and that any title so conveyed shall then be free of any lien, claim or encumbrance of the Vendor.

The Lessor covenants and agrees not to alter, amend or modify the Conditional Sale Agreement without the prior written consent of the Lessee, which consent shall not be unreasonably withheld.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Department of Transportation and the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units. In the event that such laws or rules require alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws, regulations,

requirements and rules so long as it is subject to this Lease; *provided, however,* that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, materially adversely effect the property or rights of the Lessor or the Vendor hereunder or under the Conditional Sale Agreement.

The Lessee agrees that at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair, reasonable wear and tear excepted.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit shall be considered accessions to such Unit (except such as can be removed without damage to, and without impairing the originally intended function or use of such Unit, including without limitation, racks or partitions (hereinafter called Temporary Alterations)); and at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those created by the Conditional Sale Agreement) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself. Upon termination of this Lease, the Lessee will remove the Temporary Alterations from the Units and restore the Units to satisfactory operating condition and to their original physical condition at the time of delivery thereof to the Lessee hereunder, reasonable wear and tear excepted.

The Lessee agrees to indemnify and save harmless the Lessor and the Vendor against any charge or claim made against the Lessor or the Vendor, and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Lessor or the Vendor may incur in any manner by reason of entering into, or the performance of the Conditional Sale Agreement or this Lease or by reason of the ownership of any Unit, or which may arise in any manner out of or as the result of the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit under this Lease. The Lessee further agrees to indemnify and save harmless the Lessor and the Vendor against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property or injury to any person; *provided, however,* that the Lessee shall not be required to indemnify the Lessor or the Vendor under this paragraph for negligence on the part of the

Lessor or the Vendor unless such negligence is attributed to the Lessor or the Vendor solely by reason of their interests in the Units. The indemnities arising under this paragraph shall survive payment of all other obligations under this Lease or the termination of this Lease. Anything herein to the contrary notwithstanding, the Lessee shall not be obligated to indemnify under this paragraph in respect of any charge, claim, expense, loss or liability attributable to a Unit which, and to an event occurring after such Unit, shall have been returned to the Lessor pursuant to § 10 or 13 hereof or after this Lease with respect to such Unit has otherwise terminated, *provided, however,* that such charge, claim, expense, loss or liability does not arise as a result of mechanical defects of such Unit which existed at the time such Unit was so returned or this Lease with respect to such Unit terminated.

The Lessee agrees to prepare and deliver to the Lessor and the Vendor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 9. Default. If during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in § 2 hereof and such default shall continue for 10 days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein and such default shall continue for 25 days after written notice from the Lessor specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or against the Lessee or the Guarantor for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the

obligations of the Lessee hereunder or the Guarantor under the Guaranty Agreement) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease or of the Guarantor under the Guaranty Agreement shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or the Guarantor or for the property of the Lessee or the Guarantor in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceeding shall have been commenced, whichever shall be earlier;

E. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

F. an Event of Default (as defined therein) having occurred under the other Leases of Railroad Equipment dated as of October 15, 1973 and January 15, 1974, between the Lessee and First Security Bank of Utah, N.A. as Owner Trustee;

then, in any such case, the Lessor, at its option may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been

made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee, or other premises, where any of the Units may be and take possession of all or any of the Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental, including any increased rental due and payable under §15 hereof, for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals, including any increased rental due and payable under §15 hereof, for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the use of the Unit during such period, such present value to be computed in each case on a basis of a 5% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or Canada or any political subdivision thereof, shall be equal to any portion of the 7% investment credit (hereinafter called the Investment Credit) with respect to the Purchase Price of the Units pursuant to Section 38 and related sections of the Internal Revenue Code of 1954, as amended, which was lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit, by or from the Lessor as a result of the breach of one or more of the

representations, warranties and covenants made by the Lessee in § 15 or any other provision of this Lease or the termination of this Lease, the Lessor's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default and (iv) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or Canada or any political subdivision thereof, in the reasonable opinion of the Lessor, will cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of (x) the maximum depreciation deduction authorized with respect to each Unit under Section 167 of the Internal Revenue Code of 1954, as amended (hereinafter called the Code) utilizing the "asset depreciation range" of 12 years for the Units prescribed in accordance with Section 167(m) of said Code, for an asset described in Asset Guideline Class No. 00.25 as described in Revenue Procedure 72-10, 1972 IRB 8 taking into account an estimated salvage value of 10% of the Purchase Price (as defined in the Conditional Sale Agreement) of such Unit which will be reduced by 10% as provided in Section 167(f) of the Code (hereinafter called the Depreciation Deduction), and (y) the deductions in each taxable year of the Lessor for all interest paid during such year on the Conditional Sale Indebtedness (as defined in the Conditional Sale Agreement) computed in accordance with Section 163 of the Code (hereinafter called the Interest Deduction), which was lost, not claimed, not available for claim, disallowed or recaptured in respect of any Unit as a result of a breach of one or more of the representations, warranties and covenants made by the Lessee in § 15 or any other provision of this Lease, the termination of this Lease, the Lessor's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default. Notwithstanding anything to the contrary contained in this clause (b), it is understood and agreed that the Lessee shall receive a credit in respect of the amounts payable or paid pursuant to subclause (i) of this clause (b) equal to any net proceeds received by the Lessor upon the sale or the releasing of the Units to the extent that such net proceeds as actually received exceed the amount payable or paid pursuant to the said subclause (i).

Anything in this § 9 to the contrary notwithstanding, any default in the observance or performance of any covenant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the failure to claim, the disallowance with respect to the Lessor of, or the recapture of, all or any portion of the above-mentioned deductions, credits or other benefits, shall be, for all purposes of this Lease, deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, the failure to claim, or the disallowance of, or the recapture of, such deductions, credits or other benefits in respect of such Unit, agree to pay to the Lessor the revised rental rate in respect of such Units determined as provided in the second paragraph of § 15 of this Lease. Anything in this § 9 to the contrary notwithstanding, a default in the observance of the covenants contained in subclauses (iii) and (iv) of the last paragraph of § 15 hereof shall be considered a default for purposes of this § 9 only if said default shall result in the loss by Lessor of, or the loss by the Lessor of the right to claim, or the failure to claim, the disallowance with respect to the Lessor of, or the recapture of, all or any portion of the above-mentioned deductions, credits or other benefits.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until the earlier of the date all such Units have been sold, leased or otherwise disposed of by the Lessor and the 270th day from the date the Lessee shall have placed the Units on such storage tracks, and

C. transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 10, the Lessee hereby irrevocably appoints the Lessor as its agent and attorney, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be at the time in possession of such Unit.

§ 11. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder shall inure to the benefit of the Lessor's assigns.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them (except to the extent that the provisions of any mortgage now or hereafter created on any of the lines of railroad of the Lessee may subject the Lessee's leasehold interest to the lien thereof). In addition, the Lessee, at its own expense, will promptly cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units or to the extent that the provisions of any mortgage now or hereafter created on any of the lines of railroad of the Lessee may subject the Lessee's leasehold interest to the lien thereof) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interests of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or the Guarantor or any affiliated or subsidiary corporation thereof upon the lines of railroad owned or operated by the Lessee or the Guarantor or any affiliated or subsidiary corporation thereof or upon lines of railroad over which the Lessee or the Guarantor or any affiliated or subsidiary corporation thereof has trackage or other operating rights or over which railroad equipment of the Lessee or the Guarantor or any affiliated or subsidiary corporation thereof is regularly operated pursuant to contract, and also to permit the use of the Units upon other railroads in the usual interchange of traffic (if such interchange is customary at the time), but only upon and subject to all the terms and conditions of this Lease and the Conditional Sale Agreement (including, but not limited to, Article 12 thereof).

Nothing in this §11 shall be deemed to restrict the right of the Lessee (i) to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which

shall have duly assumed the obligations of the Lessee hereunder) into or which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety or (ii) to sublease any Unit to such subsidiary or affiliated corporations of the Lessee or the Guarantor as are at the time such sublease is executed domestic railroad corporations incorporated under the laws of any state of the United States of America or the District of Columbia; *provided, however*, that the rights of such sublessee are made expressly subordinate to the rights and remedies of the Vendor under the Conditional Sale Agreement and the Lessor under this Lease. No such sublease shall relieve the Lessee of any liability or obligation hereunder which shall be and remain that of a principal and not a surety.

§ 12. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may, by written notice delivered to the Lessor not less than six months prior to the expiration of the original term or the first renewal term of this Lease elect (a) to purchase all but not fewer than all Units then covered by this Lease at the end of the original term or either renewal term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term or (b) to extend the term of this Lease in respect to all, but not fewer than all, Units then covered by this Lease, for one five-year period commencing on the scheduled expiration of the original term and (c) to extend the term of this Lease for one additional five-year period commencing on the scheduled expiration of such renewal term of this Lease, *provided*, that no such renewed term shall extend beyond ten years from the date of expiration of the original term of this Lease, at a rental payable in arrears, in 10 semi-annual payments for each five-year period, in an amount equal to the "Fair Market Rental" of such Units as of the end of such term; such semi-annual payments to be made on May 15 and November 15 of each year of the applicable extended term.

Fair Market Value or Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value or rental which would obtain in an arm's-length transaction between an informed and willing buyer-user or lessee, as the case may be (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

If on or before four months prior to the expiration of the original term or any renewal term hereof, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or Fair Market Rental, as the case may be, of the relevant Units, such value or rental shall be determined in accordance with the foregoing definitions by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or, failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both the Lessor and the Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee. In the event the Lessee elects to purchase the Units, upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without warranties) for such Units.

§ 13. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the original or any renewal term of this Lease, the Lessee will (unless the Units are sold to the Lessee or unless this Lease is then being renewed), at its own cost and expense, at the request of the Lessor, deliver possession of any Units to the Lessor upon such storage tracks of the Lessee as the Lessor may reasonably designate and permit the Lessor to store such Units on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to the Lessee; the movement and storage of the Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery,

storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or if, after the expiration of this Lease, the Lessor shall elect to abandon to the Lessee any Unit, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. Each Unit returned to Lessor pursuant to this Section (other than a Unit which has suffered a Casualty Occurrence) shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and (ii) meet the standards then in effect under the interchange rules of the Association of American Railroads and the United States Federal Railroad Administration and, if applicable, the Canadian Transport Commission.

§ 14. *Opinions of Counsel for the Lessee, the Guarantor, the Lessor and the Builder.* On the Closing Date (as that term is defined in the Conditional Sale Agreement), as a condition to the obligation of the Lessor to continue thereafter to lease the Units to the Lessee hereunder, the Lessee will deliver to the Lessor and the Vendor counterparts, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor and the Vendor and their respective counsel, of:

(i) the written opinion of counsel for the Lessee to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the jurisdiction of its incorporation, with adequate corporate power to enter into this Lease and the consent and agreement dated as of the date hereof executed by the Lessee (hereinafter called the Consent) to the assignment of this Lease to the Vendor (hereinafter called the Lease Assignment);

B. this Lease and the Consent have been duly authorized, executed and delivered by the Lessee and constitute legal and valid agreements binding upon the Lessee and enforceable in accordance with their terms;

C. this Lease, the Lease Assignment, the Consent, the Conditional Sale Agreement and the Agreement and Assignment

dated as of October 15, 1973 (hereinafter called the Assignment) between the Builder and the Vendor have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act, and no other act, filing, recording or deposit (or giving of notice) in respect of this Lease is necessary in order to protect the interests hereunder of the Lessor and the Vendor in and to the Units in any State of the United States of America and the District of Columbia;

D. no approval is required from any public regulatory body with respect to the entering into or performance of this Lease, or if any such approval is required, it has been properly obtained;

E. the entering into and performance of this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's or the Vendor's right, title and interest therein (except to the extent that the provisions of any mortgage now or hereafter created on any of the lines of railroad of the Lessee may subject the Lessee's leasehold interest to the lien thereof); and

(ii) the written opinion of counsel for the Guarantor to the effect that:

A. the Guarantor is a corporation legally incorporated and validly existing, in good standing, under the laws of the jurisdiction of its incorporation, with adequate corporate power to enter into the Guaranty Agreement;

B. the Guaranty Agreement has been duly authorized, executed and delivered by the Guarantor and constitutes a legal and valid agreement binding upon the Guarantor and enforceable in accordance with its terms;

C. upon due deposit of this Lease, the Lease Assignment, the Consent, the Conditional Sale Agreement and the Assignment in the office of the Registrar General of Canada and upon the giving

of notice of such deposit in *The Canada Gazette* in accordance with Section 86 of the *Railway Act of Canada* (1970-RSC), no other act, filing, recording or deposit (or giving of notice) in respect of this Lease is necessary in order to protect the interests hereunder of the Lessor in and to the Units in the Dominion of Canada or any Province or Territory thereof;

D. no approval is required of any governmental ministry or agency or public regulatory body with respect to the entering into or performance of the Guaranty Agreement by the Guarantor, or, if any such approval is required, it has been duly obtained; and

E. the entering into and performance of the Guaranty Agreement will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust or other agreement or instrument to which the Guarantor is a party or by which it may be bound.

On the Closing Date, the Lessor will deliver to the Vendor, the Lessee and the Guarantor counterparts, addressed to the Vendor, the Lessee and the Guarantor, in scope and substance satisfactory to the Vendor, the Lessee and the Guarantor and their respective counsel:

(i) of the written opinion of counsel for the Lessor, to the effect that:

A. the Lessor is a corporation legally incorporated and validly existing, in good standing, under the laws of the jurisdiction of its incorporation, with adequate corporate power to enter into the Conditional Sale Agreement, this Lease and the Lease Assignment; and

B. the Conditional Sale Agreement, this Lease and the Lease Assignment have been duly authorized, executed and delivered by the Lessor and constitute legal and valid agreements binding upon the Lessor and enforceable in accordance with their terms; and

(ii) of the written opinion of counsel for the Builder to the effect that at the time of delivery thereof to the Lessor under the Conditional Sale Agreement, each Unit was free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Lessee under this Lease).

In giving the opinions specified in this § 14, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally.

§ 15. *Federal Income Taxes.* This Lease and the Conditional Sale Agreement have been entered into on the basis that the Lessor shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (herein called the Code) to an owner of property including (without limitation), an allowance for the Depreciation Deduction, the Interest Deduction and the Investment Credit (all as defined in § 9 of this Lease).

With respect to any Unit, if (other than for the reasons set forth below) the Lessor shall lose or shall not have or shall lose the right to claim, or if (other than for the reasons set forth below) there shall be disallowed or recaptured with respect to the Lessor, all or any portion of, the Investment Credit, the Interest Deduction or the Depreciation Deduction with respect to a Unit in computing taxable income under one of the accelerated methods of depreciation provided in Section 167(b) of the Code for the period this Lease is in effect, then, after written notice thereof to the Lessee by the Lessor, the rental rate applicable to such Unit set forth in § 2 of this Lease shall be increased by an amount for such Unit which, in the reasonable opinion of the Lessor, will cause the Lessor's net after tax return in respect of such Unit under this Lease to equal the net after tax return that would have been available if the Lessor had been entitled to utilization of all or such portion of the Investment Credit, the Interest Deduction or Depreciation Deduction which was lost, not claimed or disallowed and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest or penalty which may be assessed by the United States against the Lessor attributable to the loss of all or any portion of the Interest Deduction or Depreciation Deduction, *provided, however*, that such rental rate shall not be so increased if the Lessor shall have lost, or shall not have or shall have lost the right to claim, or if there shall have been disallowed or recaptured with respect to the Lessor all or a portion of, the Investment Credit, Interest Deduction or Depreciation Deduction with respect to such Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence, if the Lessee shall have paid to the Lessor the applicable Casualty Value pursuant to § 6 hereof;

(ii) a transfer or disposition by the Lessor of any interest in the Units (other than by the assignment of this Lease to the Vendor) if such transfer or disposition is made at a time when no Event of Default shall have occurred and be continuing;

(iii) the failure of the Lessor to claim the Investment Credit, the Depreciation Deduction or the Interest Deduction in its federal income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming the Investment Credit, the Depreciation Deduction or the Interest Deduction with respect to such Unit.

(iv) the failure of the Lessor to have sufficient liability or tax against which to credit the Investment Credit or sufficient income to benefit from the Depreciation Deduction and the Interest Deduction as applicable.

The Lessor agrees that if, in the opinion of its or the Lessee's independent tax counsel (herein referred to as Counsel), a bona fide claim to all or a portion of the Investment Credit, the Depreciation Deduction or the Interest Deduction on any Unit, exists in respect of which the Lessee is required to pay increased rental and interest and/or penalty as aforesaid to the Lessor as above provided, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by Counsel in order to sustain such claim. The Lessor may take such action prior to making payment of the amounts claimed pursuant to a notice of disallowance or make such payment and then sue for a refund. In the latter event, if the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax paid attributable to the Investment Credit, the Depreciation Deduction and/or, the Interest Deduction disallowed, at the rate per annum equal to the prime rate of The Chase Manhattan Bank, National Association, in New York City, on the date of such final determination, from the date of payment of such tax to the date the Lessee shall reimburse the Lessor for such tax in accordance with the provisions of this §15. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have agreed in writing to indemnify the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

The Lessee's agreement to pay any sums which may become payable pursuant to this § 15 shall survive the expiration or other termination of this Lease.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that it and each of such corporations will file such returns, take such action and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent thereof.

Notwithstanding anything to the contrary contained in § 11 hereof, the Lessee represents and warrants that (i) none of the Units constitutes property of which construction, reconstruction or erection was begun before April 1, 1971; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Lessor; (iii) at all times during the term of this Lease, each Unit will constitute "section 38 property" within the meaning of Section 48(a) of the Code and none of the Units shall be physically located outside the United States during more than 50 per cent of any taxable year of the Lessor, and (iv) the Lessee will maintain sufficient records to verify such use.

§ 16. *Mileage Allowance; Subrogation.* Provided the Lessee is not in default hereunder, the Lessee shall be entitled to (i) all mileage allowances and other moneys payable by reason of the use of the Units, and any such mileage allowances or other moneys received by the Lessor shall be forthwith remitted to the Lessee, and (ii) the proceeds of any claim or right of the Lessor or the Lessee against third persons for injury, damage or loss with respect to any Unit or the use or operation thereof, including settlements pursuant to the rules of the Association of American Railroads, up to an amount equal to the Casualty Value of any Unit which shall have suffered a Casualty Occurrence, paid by the Lessee to the Lessor or the actual expense of repair of a Unit not suffering a Casualty Occurrence paid by the Lessee, as set forth in a certificate of the Treasurer or Chief Accounting Officer of the Lessee, and the Lessee shall be subrogated to the

extent of the Lessee's interest to all the Lessor's rights of recovery therefor against any other person, firm or corporation. The Lessor hereby authorizes the Lessee to make settlement of, receive payment and receipt for any and all such claims on behalf of the Lessor, and the Lessor agrees to execute and deliver from time to time such instruments and do such other acts and things as may be necessary or appropriate more fully to evidence the Lessee's authority and/or to vest in the Lessee such proceeds to the extent of the Lessee's interest therein or to effect such subrogation; and in the event of any loss, damage or destruction in respect of which the Lessee is entitled to proceeds or subrogation as aforesaid, the Lessor shall refrain from doing any act or executing any instrument which would prejudice the right of the Lessee to such proceeds or to such subrogation.

§ 17. *Additional Covenants and Guaranty of the Lessee.* As an inducement to the Vendor to enter into the assignment of the Conditional Sale Agreement and as an inducement to the Lessor to enter into this Lease, the Lessee unconditionally guarantees to the Vendor, and covenants with the Lessor to guarantee unconditionally to the Vendor, the due and punctual performance of all obligations of the Lessor and the due and punctual payment of any and all sums payable by the Lessor under the Conditional Sale Agreement including, but not limited to, that portion of the Purchase Price of the Equipment (as defined in the Conditional Sale Agreement) payable pursuant to subparagraph (b) of the third paragraph of Article 4 thereof (except for the obligations of the Lessor to make payment of the sums payable by the Lessor pursuant to (i) subparagraph (a) of the third paragraph of Article 4 and (ii) Articles 19 and 20 thereof) when due, whether at stated maturity or by declaration or otherwise, and in case any such payments or obligations are not so made or performed, the Lessee agrees punctually to pay or perform the same, irrespective of any enforcement against the Lessor of any of the rights of the Vendor under the Conditional Sale Agreement, *provided, however*, that there shall be no obligation upon the Lessee to make the payments or perform the obligations aforementioned in this § 17 while or for so long as the Lessee shall not be in default under this Lease. The Lessee hereby agrees that its obligations hereunder shall be unconditional (and shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever), irrespective of the genuineness, validity, regularity or enforceability of this Lease or the Conditional Sale Agreement, or any other conduct of the Lessor, the Vendor

and/or the Lessee which might otherwise constitute a legal or equitable discharge of a surety or guarantor, and irrespective of the last paragraph of Article 4 of the Conditional Sale Agreement or any other circumstances which might limit the recourse of the Vendor to the Lessor or of the Lessor or the Vendor to the Lessee. The Lessee hereby waives diligence, presentment, demand for payment, notice of dishonor and protest. No waiver by the Lessor or the Vendor of any of their respective rights hereunder and no action by the Lessor or the Vendor to enforce any of their respective rights or failure to take, or delay in taking, any such action shall affect the obligations of the Lessee hereunder or under the Conditional Sale Agreement.

It is understood and agreed between the Lessor and the Lessee that any and all sums paid by the Lessee pursuant to the guaranteed obligations aforementioned in this § 17 shall be thereupon deemed to have been received and paid in reduction or satisfaction, to the extent thereof, of any amount then due or payable by the Lessee to the Lessor under this Lease.

Subject to the foregoing, in the event that the Lessee shall make any payments to the Vendor under the Conditional Sale Agreement on account of its guaranty hereunder, the Lessee hereby covenants and agrees that it shall not acquire any rights, by subrogation or otherwise, against the Lessor or with respect to any of the Units by reason of such payments, all such rights being hereby irrevocably released, discharged and waived by the Lessee; *provided, however*, that after the payment by the Lessee to the Vendor under the Conditional Sale Agreement of all sums payable by the Lessor under the Conditional Sale Agreement the Lessee shall, by subrogation, be entitled to the rights of the Vendor under the Conditional Sale Agreement against the Lessor by reason of any such payment made by it pursuant to this § 17, to the extent, but only to the extent, that the Lessor had received "income and proceeds from the Equipment" (as defined in Article 4 of the Conditional Sale Agreement) and has not applied such income and proceeds to the payment, in accordance with the Conditional Sale Agreement, of sums payable by the Lessor to the Vendor under the Conditional Sale Agreement.

§ 18. **Recording; Expenses.** Prior to the delivery and acceptance of any of the Units, the Lessor will, at the expense of the Lessor, cause this Lease and any assignment hereof to be filed and recorded with the Interstate

Commerce Act and to be duly deposited in the office of the Registrar General of Canada; and the Lessor will, at the expense of the Lessor, cause the required notice of such deposit forthwith thereafter to be published in *The Canada Gazette* in accordance with Section 86 of the Railway Act of Canada.

The Lessee will, from time to time and at its expense, do and perform any act and will execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Lessor for the purpose of proper protection, to the satisfaction of the Lessor and its counsel, of the Vendor's and the Lessor's respective interests hereunder in the Units, or for the purpose of carrying out the intention of this Lease and any assignment hereof. The Lessee will promptly furnish to the Vendor and the Lessor evidence of such execution, acknowledgement and delivery.

The Lessor will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each, respectively, bear the fees and disbursements of any counsel which it may respectively retain.

§ 19. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 9¼% per annum of the amount of the overdue rentals for the period of time during which they are overdue.

§ 20. *Notices and Reports.* Any notice required or permitted to be given, including notifications under § 6 hereof, by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

if to the Lessor, 79 South Main Street, Salt Lake City, Utah 84110
attention of Trust Department;

if to the Lessee, 131 West Lafayette Boulevard, Detroit, Michigan 48226, *attention of* the Secretary;

and to the Guarantor at P. O. Box 8100, Montreal, Quebec, Canada H3C 3N4 *attention of* the Treasurer;

and to the Vendor at 627 Southwest Avenue, Miami, Florida 33135;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 21. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the parties hereto.

§ 22. *Execution.* This Lease may be executed in several counterparts and such counterparts together shall constitute but one and the same instrument. The counterpart or counterparts delivered to the Vendor pursuant to an assignment of this Lease shall be marked and be the "original" and all other counterparts shall be marked and be "duplicates" thereof.

Although this Lease is dated as of October 15, 1973, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 23. *Receipt of Documents.* The Lessee hereby acknowledges that it has received copies of the Conditional Sale Agreement and the assignments hereof and thereof to the Vendor and is fully aware of all the terms and conditions of each such agreement.

§ 24. *Law Governing.* This Lease shall be construed in accordance with the laws of Michigan.

§ 25. *Definitions; Lessor Acting as Trustee.* Whenever the term "Lessor" is used in this Lease it shall include the Beneficiary (or, if more than one, the Beneficiaries) and any assignee and, where the context so requires (including but not limited to certain of the provisions of § 9 and all

of the provisions of § 15 hereof), shall refer only to the Beneficiary (or Beneficiaries) or such assignee. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Trustee and any successors thereto (with the exception of certain tax provisions of § 9 and § 15 hereof) unless the context shall otherwise require and except that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Vendor, as the case may be, is named.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor, while in form purporting to be the representations, undertakings and agreements of the Lessor are nevertheless each and every one of them, made and intended not as personal representations, undertakings and agreements by the Lessor or for the purpose or with the intention of binding the Lessor personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by the Lessor not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor or any beneficiary of the trust under which the Lessor is acting, or on account of this Lease or on account of any representation, undertaking or agreement of the Lessor or any beneficiary of the trust under which the Lessor is acting, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee; *provided, however*, that the Lessee or any person claiming by, through or under any of them, making claim hereunder, may look to the Trust Estate for satisfaction of the same.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused these presents to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, as of the date first above written.
